

**Prof. Dr. rer. nat. habil. Wolf-Christian Müller**

born 14 March 1972 in Hanover, married

---

**Work Experience**

- 2/2013– **W2(S)-Professorship** „Plasma-Astrophysics“, Technische Universität Berlin  
(Cooperation TU Berlin – Max-Planck Institute for Plasma Physics)
- 10/2013– **Deputy director** Center for Astronomy and Astrophysics  
(Director: D. Breitschwerdt), TU Berlin
- 4/2009–1/2013 **Scientist**, Max-Planck Institute for Plasma Physics,  
Department: Tokamak physics, S. Günter
- 4/2003–3/2009 **Head of independent Max-Planck research group**  
„*Computational Studies of Turbulence in Magnetized Plasmas*“,  
Max-Planck Institute for Plasma Physics, Garching
- 5/2001–4/2003 **Postdoc**, Max-Planck Institute for Plasma Physics, Garching,  
Centre for Interdisciplinary Plasma Science, V. Dose/G. Morfill
- 3/2000–4/2001 **Postdoc**, Free University of Brussels,  
Department: Statistical and Plasma Physics, D. Carati

---

**Academic Development**

- 10/2008 **Habilitation** (Theoretical Physics, Bayreuth Univ.),  
„*The inherent properties of turbulence*“
- 4/2004–9/2011 **Teaching activity**, Bayreuth Univ.
- 4/1998–2/2000 **PhD**, Max-Planck Institute for Plasma Physics, Garching,  
Group: Nonlinear Plasma Theory, F. Wagner/D. Biskamp
- 10/1992–3/1998 **Studies of Physics**, Hanover Univ.,  
1995/96: Dublin City University, Ireland,  
Diploma, Department of Plasma Physics, F. Demmig

---

**Awards**

- 12/2002 **Emmy-Noether Group** (DFG)  
„*Nonlinear theory and numerical modelling of complex plasmas*“,  
declined
- 11/2002 **Independent Max-Planck Research Group**
